With Hood's Sarsaparilla, "Sales Talk," and show that this medicine has enjoyed public confidence and patronage to a greater extent than accorded any other proprietary medicine. This is simply because it possesses greater merit and produces greater cures than any other. It is not what we say, but what Hood's Sarsaparilla does, that tells the story. All advertisements of Hood's Sarsaparilla, like Hood's Sarsaparilla itself, are honest. We have never deceived the public, and this with its superlative medicinal merit, is why the people have abiding confidence in it, and buy

### A SOUTHERN OPINION.

Predictions of a Year Ago Seem to be Materializing.

There is a time near at hand when neutrality will not count. When that time comes, every man will be forced to define his position. If a friend to the people and to this country, he must say so.

If he is a friend to the English gold-bugger and plutocracy, he will find it best to so state.

There were times during the war between the states when neutrality did not go either in north or south.

If in the north, a man had to be a friend to the Union cause or hunt his hole.

If in the south, he was required to take sides with the Southern cause or take to the mountains.

The time is coming when every man must define himself, as was required during these trying times.

In the south and west every man will be required to take sides with the people and declare his loyalty to the American republic. In the east the Tory sentiment will be so intense that every one will be forced to pronounce for English ideas of money and government or emigrate. When that hour arrives, as it certainly will, there are going to be hot times in this country. The time is coming when Toryism will be unpopular in America as it was during the revolution. What the final outcome will be we have no means of knowing, but the American people must either defend this country against this modern invasion of Europe or prepare to be slaves. It is fight or slavery. This will be the issue as sure as fate, and it will come, in all probability, inside of two years. Mark our prediction. —Southern Mercury.

### Another Potent Argument for the Gold Platform.

Salem Statesman:

Our Hon. E. Hofer arrived at the St. Louis Populist and Bimetallist conventions safe and sound, we are pleased to announce, making the last ten miles at a mile and a half a minute by the traction of his silver wheels. He has sixteen proxies for each convention in each of his hip pockets, and he will cast the consoling shadow of his luxuriant mustachios over each branch of the sons of noise in deliberative, or rather boisterous assembly. Mr. Hofer has been humiliated somewhat, however, by his inability to make himself heard. He has a pretty fair voice for the mild Webfoot climate, but he is not in it with the delegates from the wind-swept prairies, the twin brothers of cyclones. This will be a disappointment to his friends in Oregon. He is most too old to cultivate a long range voice, and he would not have time to use it to any purpose until after the present storm had blown over. Next time, perhaps, he will be think himself to take along a calliope. He might be able to second a motion or to confer a priceless boon upon quiet and peace-loving humanity by moving to adjourn, with the aid of such a noise producing device.

### BETTER THAN DIAMONDS.

Good health is better than diamonds. Health is life. No pleasure can be taken without it. It is the most precious thing in the world; and many people are careless about it. They neglect their little ailments—they ignore nature's danger signals and run right into the rocks of disease. All diseases have insignificant beginnings. Consumption is but the fruit of neglected catarrh. A slight cold develops into pneumonia or bronchitis. A little indigestion grows into "liver complaint." The best way to cure a disease is to prevent it. The next best way is to catch it before it develops to its worst stage. Dr. Pierce's Golden Medical Discovery is a medicine for the whole body. It searches out the weak spots and builds them up. It is a strengthener, a purifier and a cure. It puts the digestive system into an active, healthy condition, purifies and enriches the blood and forces out all poisonous matter. Taken in time, it will cure 98 per cent. of all cases of consumption. It is a purely vegetable compound that works in perfect harmony with nature. It tones up the whole body and produces strong, hard, healthy flesh. It has cured hundreds of cases of consumption, bronchitis, asthma, chronic nasal catarrh and kindred maladies, which had withstood the effect of every other medicine. A large number of testimonials and photographs of those cured have been printed in the "Medical Adviser," 1000 pages 300 illustrations, sent for twenty-cent stamps (in stamps) to cover design and wrapping. ### The spot where Custer fell

is within plain view of the Burlington route's track.

The monument that marks his last resting place is little, if any, more than a mile distant. You get a good view of it as the train whirles eastward over the solidest, the smoothest, the best track ever built west of Chicago.

A pretty booklet, giving a brief account of the battle in which Custer lost his life will be mailed to any one who will ask for it. Write for a copy. Write also for information about rates and trains via the Burlington Route to Omaha, Kansas City, St. Louis, Chicago and all other southern and south-eastern cities.

### The Oregon Press Monopoly

Will not treat the restoration of silver fairly. It will not tell the people the truth. It dare not. Take a fair paper that gives the people's side as well as the Wall street side.

The people are charged with ignorance by the gold press. This is a false charge. Whenever the cause of free coinage of gold and silver 16 to 1 is more discussed and best understood it is most popular and strongest with the people.

### Sixty Days for 50 Cents.

If you can't talk or write for silver read and mark articles and send them to your neighbors and friends--sixty hot shot for 50c. Cheapest political ammunition in the country. Send a silver quarter or half dollar and try it. The people must be educated and it is your duty to help do this work for humanity.

## WE DON'T WANT GOLD

alone, but we want both gold and silver. There is not gold enough in our country to pay one-twentieth of the debts owing in this country. If you want repudiation advocate the single gold standard. It means contraction of our currency, destruction of values, and repudiation. Investigate and you will be convinced.
